FCHS Fundraising Committee

- New - the team has been gathering information of Businesses, Mutual Insurance Companies and Service Clubs in the catchment area to approach in regards to donating to FCHS Foundation.
- Since the beginning of this year we have visited and made 15 presentations to Municipalities, Service Clubs and Mutuals thanking them for support in past, update the work of FCHS and to date donations resulting in \$140k towards the endoscopy campaign has been raised.
- Several more presentations are planned for the summer and fall.
- Building Ties was an initiative that brought together the four surrounding upper tier municipal governments along with Board members and Senior Management of MHA. Our theme was ways to develop ties and raise awareness of our needs for funding. Also to look at other areas we can work together in our communities i.e. transportation. All agreed to get together and collaborate further
